DISCLAIMER FOR THOSE NOT WISHING TO TAKE LEAVE

An employee of Technology Resourcing Ltd has explained to me, and I fully understand, that the money I am to receive is my entitlement to Paid Annual Leave and that this money is paid to me so that I can take time off without financial penalty.

I appreciate that my employer, Technology Resourcing Ltd, wishes to adhere to the spirit as well as the content of the Working Time Regulations. I, however, do not wish to take my leave entitlement and absolve Technology Resourcing Ltd of any responsibility in this regard.
